1. The Greenwood Corvette Club held the monthly meeting at O'Charley's in Greenwood on May 20, 2014 with 20 members and 3 guests present. Welcome the Culbertson's guests Earl and Teresa Brewington and Larry Warner's guest Ray Sartain.
2. President Doug Timmerman welcomed everyone and approved the minutes of the April 15th meeting as written.
3. Treasurer Tom Bickerton and Miriam have been in PA to attend a funeral and were not present. Tom's financial report was given by Doug Timemrman. The balance is the same as Tom reported at the April 15th meeting: \$ 1,465.34.
4. Doug reminded the group that the Edgefield Cruise in on the Square will be on July 19th from 4 to 7pm, with classic cars, trucks, motorcycles, and a live WSKS remote broadcast of oldies music. Carla has a flyer which will be sent out to everyone by separate email.
5. The Christmas party will be at Bermuda's at Stoney Point. Doug has signed the contract and Tom Bickerton has sent them a deposit on the Library Room, which we used last year. The Christmas dinner will be on Saturday, Dec 13th.
6. David Crofts has a friend, Jim Hammontree that is looking for a 2008 or later model coupe in red or black. Jim's number is 864-993-3313 if you know anyone who has one for sale.
7. Carla sent an email out to members on April 20th that the Club web site was published. She has been updating it with photos of recent events and tours such as the Abbeville Spring Festival, the photos Mac Francisco took during the tour of Benson's and the photos Ray Culbertson took of the tour of Dean Hunter's. The web page can be found at: www.greenwoodcorvetteclub.weebly.com. If you have any photos you would like to submit, or car show information to post, or upcoming tours, please send them to Carla at seamood@embargmail.com. She is continually updating and adding photos of our events and cars.
8. Doug Wallace and Carla have been emailing to possibly coordinate an upcoming monthly meeting in Clinton. Doug is friends with Greg Jackson, owner of Carolina Classic Boats and Cars and can possibly get us a tour of the facility and inventory one evening before we meet for dinner. This may mean we meet up at 5:30pm in Clinton for the tour and we could have dinner at 6:30pm at the House of Pizza which is within walking distance. Check out their web site: <http://www.carolinaclassicboatsandcars.com/>. Carla will send out additional details as we get things firmed up on date/time. Thank you Doug for bringing this to our attention and your assistance to coordinate the tour.

After dinner, we moved to the parking lot and had the opportunity to talk more to Ray Sartain and see his new C7 with black accents, such as the wheels and spoiler. Looks nice!!!
